

Early Help – working with you and your family

Early help means providing support as soon as the need emerges, at any point in a child's life. Staff at St. Mark's CE Primary School recognise that any professional can provide early help.

Any pupil or family may benefit from early help, but staff will be alert to the potential need specifically for early help for pupils who:

The DSL will take the lead where early help is appropriate and consent has been gained. This includes liaising with other agencies and setting up an inter-agency assessment as appropriate. The local early help process will be followed as required to help provide the right, effective support at the right time.

Staff may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner. Any such cases will be kept under constant review assessing the impact of the support.

We therefore ensure that:

- All staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help and can follow school procedures to share this with the DSL
- DSLs (or other appropriate school staff) - will undertake a Family Early Help Assessment, when appropriate, to identify what Early Help is required
- DSLs will signpost and refer to appropriate support agencies
- DSLs will lead on TAF meetings where is it appropriate for them to do so
- DSLs will follow the local safeguarding processes and refer to Children's Social Care where Early Help has not been successful in reducing risk and meeting unmet needs using the Levels of Need contained within Working Well with Children and Families in Lancashire guidance
