## **Single Equalities Policy**

### **Statement of Principles**

The policy outlines the commitment of the staff, pupils and governors of St Mark's CE Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At St Mark's CE Primary School, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

St Mark's School believes that everyone is uniquely created by God. We provide opportunities to recognize our gifts that He has freely given to us. Our caring, nurturing community fosters the growth of Christian values through following Jesus' Golden Rule.

***'So in everything, do to others as you would have them do to you'***  
Matthew 7:12

Building on this firm foundation allows us to flourish, support one another in reaching our individual potential and encourages us as life-long learners.

## **Policy Development**

This policy applies to the whole school community. It has been drawn up as a result of the outcomes of a transparent process and through consultation with the local Authority, parents, pupils, school staff, governors and the pupil school council who regularly discuss issues relating to equality.

Each of the groups represents a different voice in the school community and this policy has been shared and discussed as appropriate

## **Monitoring and Review**

St Mark's CE Primary School is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

Attainment data is collected and regularly reviewed in respect of the performance of 'groups' based on: gender, ethnicity, FSM, SEND, those joining the school late

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information we also regularly monitor a range of other information. This relates to

- Attendance
- Exclusions and truancy
- Racism, disabilism, sexism, homophobia and all forms of bullying
- Parental involvement
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

St Mark's CE Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We collect and analyse a range of profile information for our staff and governors

- Application information
- Staff Data Collection
- Governing Body Profile
- Training Attendance
- Staff Appraisal

Much of this information is confidential and is treated as such in line with our Data Protection Policy.

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of the policy and action plan is the Headteacher, Mrs Marilyn Freeman.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

### Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particularly those roles that provide spiritual leadership. However this would not apply for all staff in School.

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

### Partnerships with Parents/Carers/Families and the Wider Community

We will work with parents/carers to help all pupils to achieve their potential.

- All parents/carers are encouraged to participate in the full life of the school.

- Members of the local community are encouraged to join in school activities
- Exploring the possibility of the school having a role to play in supporting new and settled communities

This will be published on our school website and a hard copy is available from the school office.

## **Annual Review of Progress**

The school governors will review this policy on an annual basis

## **Equality Impact Analysis**

We will undertake Equality Impact Analyse (EIAs) in order to predict and assess the implications of this policy. In this way we can analyse the effectiveness of this policy to ensure we meet the needs of all our service users and that no group is disadvantaged.

The Equalities Information should be read in conjunction with the Accessibility Plan Targets and the Disability Equality ongoing priorities.

## **Appendix - for information**

### Race

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

### Reporting racist incidents in schools

It is the responsibility of the school to record incidents for their own internal purposes. Recording incidents enables schools to monitor incidents of prejudice related bullying, identify any actions required to eliminate discrimination and evaluate whether actions taken are effective. Schools are recommended to inform Governors of incidents on a regular basis. St Mark's School informs governors on a termly basis of racist or bullying incidents

### Disability

#### What is a disability?

- Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:
  - substantial (more than minor or trivial)
  - adverse
  - long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment - what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being disabled (eg diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

### Gender

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

What is the difference between sex and gender?

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

Sexual Orientation

**Heterosexism** is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as **homophobia**, although **lesophobia** and **biphobia** are also coming into use.

Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

**Sexual orientation** is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

Transgenderism and gender re-assignment

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender reassignment is the process a transgender person goes through to change sex.
